In order for him/ her to attend this event you will need to give your permission.

When you sign this form, you are doing two things, namely:

1. Acknowledging your awareness of participation of your child in the activities during Totus Tuus.
2. Permitting the Adult chaperones to make decisions concerning any immediate emergency medical treatment for your child, should such a need arise. A call to the Emergency contact will always be the first action taken. (Without this written permission, it is unlikely that any hospital/ physician would treat your child unless you were there to grant permission in person.)

In the event that my child should require immediate emergency medical treatment while participating in the activities during the week stated above and parent(s)/ guardian(s) cannot be contacted, I give Adult Chaperon's present permission to authorize any immediate emergency medical treatment necessary for my child's health and well-being.
